DESIGN & PRINT

In Partnership with

We believe customer service plays an important role in any company's ability to give a service experience that can change the entire perception a customer has of the organization.

Our Aim remains to give our customers an unparalleled service compared to other manufacturers, before, during and after a purchase.

Concept

We can help you develop from an initial concept through to a realistic design.

Kit Designer

Our Kit Designer Software offers our customer's access to 11 sports categories with 110's of customisable designs. Add shirts, shorts and socks to your order, upload as many logos as required, place shirt numbers, images and so much more with our fully integrated software.

Design

Our Design Team can adapt our current styles to suit your need or work with your own design to manufacture from scratch to give you a fully bespoke product. We recommend providing any logos & sponsors in a vector format for a clear print. If you are not able to provide a vector, we have a redraw service available."

Manufacture

Our in-house manufacturing can create your chosen designs to your exact style, colourway and specification to the highest standards.

Delivery

We aim to supply an average size team kit order in approximately 4 weeks (may vary depending on season), after artwork approval. Our professional service and in-house manufacturing facility accompanies this fast turnaround and high standards, ensuring you get exactly what you require within a time a time scale.

Minimum Orders

Our minimum order is initially 12, 2 per size. Any repeats is 6, 2 per size.

Because of continuous product development, products may differ slightly from those illustrated. Please also note that all pricing will comply with our terms and conditions of sale which are available on request. Any shirts in our brochure with printed logos are examples only of work undertaken for various companies. The garments shown are not sold with any printed logos.
