INTRODUCTION

We believe customer service plays an important role in any companies ability to give a service experience that can change the entire perception a customer has of the organization.

Our aim remains to give our customers an un-paralleled service compared to other manufactures, before, during and after purchase.

Concept:

We can help you develop from an initial concept through to a realistic design.

Design:

Our Design Team can adapt our current styles to suit your need, or work with your own design to manufacture from scratch to give you a fully bespoke product. We recommend providing any logos & Sponsors in a vector format for a clear print. If you are not able to provide a vector, we have a redraw service available.

Manufacture:

Our in-house manufacturing can create your chosen designs to your exact style, colourway and specification to the highest standards.

Delivery:

We aim to supply an average size team kit order in approximately 4 weeks (may vary depending on season), after artwork approval. Our professional service and in-house manufacturing facility accompanies this fast turnaround and high standards, ensuring you get exactly what you require within a time scale.

Minimum Orders:

Our minimum order is initially 12, 2 per size. Any repeat is 6, 2 per size.

Because of continuous product development, products may differ slightly from those illustrated. Please also note that all pricing will comply with our terms and conditions of sale which are available on request. Any shirts in our brochure with printed logos are examples only of work undertaken for various companies. The garments shown are not sold with any printed logos.
