INTRODUCTION

We believe customer service plays an important role in any companies ability to give a service experience that can change the entire perception a customer has of the organization.

Our aim remains to give our customers an un-paralleled service compared to other manufactures, before, during and after purchase.

Concept:

We can help you develop from an initial concept through to a realistic design.

Design:

Our Design Team can adapt our current styles to suit your need, or work with your own design to manufacture from scratch to give you a fully bespoke product. We recommend providing any logos & Sponsors in a vector format for a clear print. If you are not able to provide a vector, we have a redraw service available.

Manufacture:

Our in-house manufacturing can create your chosen designs to your exact style, colourway and specification to the highest standards.

Delivery:

We aim to supply an average size team kit order in approximately 4 weeks (may vary depending on season), after artwork approval. Our professional service and in-house manufacturing facility accompanies this fast turnaround and high standards, ensuring you get exactly what you require within a time scale.

Minimum Orders:

Our minimum order is initially 12, 2 per size. Any repeat is 6, 2 per size.

Because of continuous product development, products may differ slightly from those illustrated.
